- ❖ For a semester courses (half-credit) grades will be determined by calculating the average of the two 9 weeks that equal 59.5% or higher to pass the course

*\*Regardless of Final Average, to receive credit for a year-long course, the student must earn a passing grade in the fourth (4th) nine weeks grading period and the calculated average must be 59.5% or above.*

*\* Teachers may give finals, but this final will be counted in the average of the final grading period of the course.*

### **COURSE CREDITS**

All students should check with associate school counselors and with the Career Center counselor at the end of their junior year to see that everything is in order concerning credits before the start of their senior year. The Ashland County-West Holmes Career Center and the associate school counselors will conduct a credit check for students attending the Career Center. **It is the student's responsibility to make sure that he/she has the minimum requirements for graduation from his/her associate school.**
