

**EXPAND YOUR HORIZONS
TO REACH YOUR CAREER POTENTIAL**

WHY ADULT EDUCATION

Employers are continually seeking employees to close the ever growing 'skills gap' in jobs that require middle-skills. Our focus is to offer training that provides the skills needed to fill the estimated 30 million jobs that require an education, post high school and below a bachelor's degree. With a wide variety of program options to prepare adults for the workforce or for a career change, our accelerated programs can be completed quickly, typically within one year.

PROGRAMS

- Dental Assisting (approx. 7 months)
- Electrical Technologies (approx. 7 months)
- Heating, Ventilation, Air Conditioning & Refrigeration [HVAC-R] (approx. 10 months)

EXPAND YOUR HORIZONS

TO REACH YOUR CAREER POTENTIAL

APPRENTICESHIPS

Customized apprenticeship training is available by working with the Career Center's Apprenticeship Coordinator; curricula can be modeled to fit particular business needs. We offer electrical, industrial maintenance and plumbing apprenticeships. We can help you design an apprenticeship that fits your needs.

For apprenticeship information, call 419.289.3313 x2247

OHIO TechCred

Upskill your employees through the Ohio TechCred program. No matter what industry you work in, technology is having an impact on the future of your business and the nature of your work. TechCred helps Ohioans learn new skills and helps employers build a stronger workforce with the skills needed in a tech-infused economy. Many of these trainings can be completed online.

These technology-focused credentials take a year or less to complete and prepare current and future employees for the technology jobs Ohio employers need.

Program enrollment was offered in January, February and April. Scan the code for additional information.

EMPLOYEE TRAINING

Employers needing to train their employees with additional skills or focus on specific areas of improvement, we offer training for a variety of areas in skill development. Here is a short list of the training options available:

- Forklift
- Industrial maintenance cross training
- PLC Training
- OSHA compliance
- Mechanical Comprehension
- Blueprint reading for industry
- Plumbing
- Welding
- Electrical Systems
- Clerical
- Microsoft applications
- Customer service
- ISO Lean or Sigma Six

Customized training is also available, call for details - 419.289.3313 x2292
