**Criteria for Selection**

Contributions to the Career Center

1. Support – Advisory committee members, employers of ACWHCC graduates, employers making donations (financial, equipment, time), apprenticeship partners, volunteers, individuals contributing to positive public relations.
2. Staff – (current or past) Candidate should demonstrate: excellence in professional activities beyond the parameters of their job, evidence of exceptional service to ACWHCC, a positive attitude about and promotion of ACWHCC, leadership, extraordinary commitment.
3. Students – (current) Outstanding achievements, positive leadership, good academic standing (“B” and above) and community service.  
Note: To be eligible, a student must have all the above listed characteristics.

**Judging Criteria**

- The degree to which services/actions have made a significant difference and a lasting or meaningful contribution or impact at the ACWHCC.
- The length and degree of nominee’s service.
- The extent to which nominee’s service or action might be considered to have made significant contributions to the ACWHCC through time, actions, talent, dedication and service above and beyond the call of duty.
- The extent to which action would serve as a role model and be recognized and valued by peers/school administrators/community.

In the space below provide a supporting statement addressing how the candidate has met the criteria for selection for the Pentagon Award. Also, please provide evidence addressing how the candidate has met all of the judging criteria for the Pentagon Award. Attach additional sheets if necessary. Also, please attach a recent photo.
