Yearly, we speak to over 600 potential adult students. We enroll about 100 students; many who do not enroll fall into a “working poor” category. This category of potential student is motivated but cannot afford additional educational expenses.

Ashland County Community Foundation
...creating funds for today and for generations to come

Ashland County Community Foundation is a charitable organization that builds and preserves endowment funds. To date the Foundation has distributed over $3.4 million to the Community by way of grants, scholarships, agency and individual fund distributions.

Donors can be assured their gifts will continue in perpetuity to help their community through the “Ashland County-West Holmes Career Center Adult Education, Friends of Adult Education Endowed Fund”.

Education develops our workforce by providing skills for better jobs...Help us Make It Happen!

Why do we need to build the endowment?

Funding for Adult Education is often very difficult to find.

Adult students, burdened by family responsibilities, cannot afford to adapt to the needed skills of the changing workforce jobs.

This fund provides awards for eligible students who are working, but not at a job which provides adequate income to afford education.

Your gift will make a difference in the lives of students and their families.

Adult students, who need to change careers, find it nearly impossible to finance both education and their family financial responsibilities.

The Friends of Adult Education Endowed Fund will provide scholarships to Adult Education students, making it possible for them to further their knowledge and workforce skills which meet the need of business and industry.

Your gift will keep on giving...

- Original contributions will not be distributed.
- Student education scholarships will be awarded from the interest earned on the endowment fund in accordance with the guidelines of the Ashland County Community Foundation.

Tax deductible contributions may be mailed to Ashland County Community Foundation (ACCF):

Two major options exist in making gifts to the fund:

1. A single, outright gift by the donor to the Ashland County Community Foundation Friends of Adult Education Endowed Fund

2. A pledge whereby the donor may make annually scheduled payments over a five-year period to complete their gift. For example, an individual interested in gifting $500 may do so over five years with payments of $100 each year.
