

2021 West Holmes Building Trades Scholarship

The following requirements must be met in order to apply for the scholarship:

1. Must be a student in their senior year and enrolled in the Building Trades program.
2. The scholarship must be used only for education in a career related to the Building & Construction Industry, as a recognized college or university offering such courses.
3. The Scholarship funds must be used for textbooks/tuition or other college or university related expenses.
4. The student must have maintained a (B) average in the Building Trades program.
5. When applying the student will furnish information on the college or university which they want to attend.
6. The student must have maintained good attendance in the program.

The student receiving the Scholarship funds will by signature agree to the following:

- If the scholarship funds are not used as prescribed within six (6) months - the funds must be immediately returned to the scholarship fund,
- The student will furnish proof of how the funds were spent in the form of receipts for the college or university.

The Building Trades instructor will be the person in charge of the Scholarship and the person to whom the application is submitted to for consideration.
