May 2022

Dear Parent/Guardian of 2022-2023 12th grade student:

The Ohio Department of Health mandates what immunizations are required each year in the schools. All incoming 12th graders are required to have 2 doses of the Meningococcal vaccine prior to starting school in August. If the first dose was received after their 16th birthday they are only required to have 1 dose for 12th grade.

The law requires that we have a copy of this information on file or we are to exclude your child from school. If you have not gotten this immunization, please make sure to get it this summer. The immunization record can be brought into the school or Faxed to 567-203-4502.

If you have any questions, please call the nurse, Linda Donelson at 419-289-3313, ext. 2290.

Sincerely,

Rick Brindley  
Principal
